

Declaration by the Perit - Seawell

Details:

Proposed size of borehole diameter in cm: _____

Location of borehole: Northing: _____ Easting: _____

Total proposed depth of borehole in m: _____

Height of wellhead above mean sea level in m _____

Closest distance to shore in m _____

Depth of casing¹ below well head in m _____

Proposed use of water: _____

If the borehole will touch an underlying blue clay geological formation:

a Estimated depth from wellhead to top of blue clay formation: _____

b Estimated depth from wellhead to bottom of blue clay formation: _____

Declaration

I, the undersigned Perit, hereby declare that to the best of my knowledge that:

- the content in this application and on the submitted plans and photos is true, correct and complete.
- either no PA permit is required, or the works are covered by a PA permit.

Signed: _____ Date (dd/mm/yyyy): _____

Full Name and Official Stamp: _____

Documents to be attached to this declaration:

1. Site plan: A4 extract from the latest Survey Sheet on a Scale of 1: 2500 and indicating

- the site boundaries in red;
- the location of the proposed borehole;
- the point where the coastline is nearest to the borehole;
- the positions from which the photographs were taken on the site plan.

The site plan shall be signed, dated and certified by a Perit.

2. At least 2 colour photographs of the proposed location of borehole taken from different points and which points are to be clearly indicated on all the site plans. These photographs shall be signed, dated and certified by the Perit.

¹ 0-50m from coastline – minimum casing 10m below sea level
50-100m from coastline – minimum casing 25m below sea level
100-150m from coastline – minimum casing 50m below sea level
6m below the blue clay layer in cases covered by Regulation 6(3)(d) of SL423.32
